

Enterprise iLembe is the Economic Development Agency of the iLembe District Municipality, responsible for Trade & Investment Promotion and Local Economic Development for the region.

REQUEST FOR PROPOSALS

Renewable Energy: Feasibility & Scoping Study

Renewable energy has been identified as one of the key growth industry sectors with high growth potential in South Africa. Enterprise iLembe, situated on the North Coast of Kwazulu-Natal, would like to therefore conduct a feasibility and scoping study for solar and hydro power potential in the iLembe District focusing on the resource generating potential, topographic conditions assessment and assisting with the identification of suitable sites for the development of solar power and small hydropower projects in the district.

Enterprise invites proposals from suitably qualified and experienced service providers to conduct a feasibility and scoping study in this regard.

The feasibility must include both GIS and Data Analysis which must be collated into a Scoping Study to determine the potential of using renewable energy projects in the District as well as identification of areas most appropriate for each technology.

Submissions must include the following;

- Company Experience for similar projects
- Details of the Project Team
- Methodology & Project Time Plan
- Fee breakdown
- Tax Clearance Certificate (compulsary)
- BEE Certificate (if in possession)

Suppliers must be registered on the Enterprise iLembe Database. Supplier registration forms can be obtained from the Agency website at www.enterpriseilembe.co.za

Please email detailed proposals for the attention of the Acting CEO; Mr. Z. Gumede to info@enterpriseilembe.co.za on or before **22 April 2013 at 12h00**.

Please note: Enterprise iLembe reserves the right not to accept any or portion of a proposal received under this call, or give reasons for doing so. No submissions will be accepted after the closing date and time, as stipulated above.
