Mandela Day

Enterprise in partnership with Mega Force Security visited Othandweni Children's Home on the 31st of July 2015 as part of the Mandela Day giving back 67 minutes. The team enjoyed a fun filled afternoon with the children who were extremely excited to all receive brand new school uniforms, shoes and clothing. In addition much needed groceries were also handed over to the house mother. A special thank you to Enterprise iLembe staff members and to Mega Force Security for their generous contributions.
